All units earned beyond the Bachelor Degree must be upper division or graduate courses. Lower division courses in Mathematics, Foreign Language and Physical Science may be acceptable if not yet taken during undergraduate years.

Due to the compression of the 1999-2000 salary schedule, teachers/librarians with 7 yrs or less service credit will be placed on the salary level which represents their current year of service. For example, if you are coming into FUSD with 2 yrs experience from another district, you will begin at level 3.

Teachers/librarians with 8 or more years of experience will begin at the level representing completed years of experience. For example, if you are coming into FUSD with 8 yrs experience from another district, you will begin at level 8.

Note: Steps below solid line available only to personnel hired prior to 1969-70 school year. The general requirement for a unit member to be placed in Class 1 (A01) is a BA+30 units; however, exceptions may be made when conditions warrant such exceptions.

**Unit members with less than a BA+30 units shall advance beyond Class 1 (A01), Step 1 only if they were hired prior to 1969-70.

***Class V (A05)** effective July 1, 2015. Placement on Class V (A05) is contingent upon completion of 9 units of continual professional learning through the professional development office prior to the beginning of the new school year.

There shall be no new members eligible for the PL Column effective as of January 1, 2024. All professional learning units and courses shall cease being offered effective January 1, 2024, and coursework to complete credits shall likewise cease effective January 1, 2024. Unit members on the PL Column as of November 1, 2023, will continue to receive PL Column compensation until June 30, 2026, or until they become ineligible for the PL Column, whichever is sooner. All PL Column placements and all language in the parties' collective bargaining agreement shall be eliminated effective July 1, 2026.

All units earned beyond the Bachelor Degree must be upper division or graduate courses. Lower division courses in Mathematics, Foreign Language and Physical Science may be acceptable if not yet taken during undergraduate years.

Due to the compression of the 1999-2000 salary schedule, teachers with 7 yrs or less service credit will be placed on the salary level which represents their current year of service. For example, if you are coming into FUSD with 2 yrs experience from another district, you will begin at level 3.

Teachers with 8 or more years of experience will begin at the level representing completed years of experience. For example, if you are coming into FUSD with 8 yrs experience from another district, you will begin at level 8.

Note: Steps below solid line available only to personnel hired prior to 1969-70 school year. The general requirement for a unit member to be placed in Class I (A01) is a BA+30 units; however, exceptions may be made when conditions warrant such exceptions.

**Unit members with less than a BA+30 units shall advance beyond Class 1 (A01), Step 1 only if they were hired prior to 1969-70.

***Class V (A05)** effective July 1, 2015. Placement on Class V (A05) is contingent upon completion of 9 units of continual professional learning through the professional development office prior to the beginning of the new school year.

There shall be no new members eligible for the PL Column effective as of January 1, 2024. All professional learning units and courses shall cease being offered effective January 1, 2024, and coursework to complete credits shall likewise cease effective January 1, 2024. Unit members on the PL Column as of November 1, 2023, will continue to receive PL Column compensation until June 30, 2026, or until they become ineligible for the PL Column, whichever is sooner. All PL Column placements and all language in the parties' collective bargaining agreement shall be eliminated effective July 1, 2026.
